

anse x 2

martingales x 4

FACE DU SAC  
X2

RAYON = 20cm

rivet

Et pour la bande de profondeur:

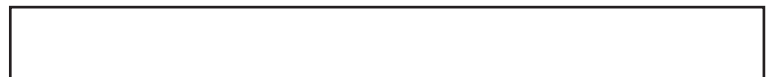

couture un peu de maths :  $R \times 2 \times 3,14 = P$

plier

soit  $20 \times 2 \times 3,14 = 125,6\text{cm}$

12cm

125,6cm

FORMAT A4
